

# INTENTION PRAYER

I now call forth my Higher Consciousness. As I see the Divine Plan of my life unfolding, I am in gratitude, love and appreciation for **ALL THAT IS**.

Thank you, **Source**, for the continuous and generative abundance of joy, love, health and prosperity.

I AM ready for my next highest change NOW.  
With my every breath, I embrace

---

As I breathe in life, I AM the change that I desire.

I thank you **Source** and all the benevolent Universal Forces for this gift and for keeping me aligned to my Soul Path as I progress in Highest Light.

All change happens gently, easily and gracefully NOW.

May I always be aligned with **Source** through *Divine Grace* so my thoughts and actions are of generous compassion toward myself and others.

Thank you **Source**, I AM that I AM, for All That Is in me.

So be it, it is so.  
Amen.
